Dear Beth and Cathy:

Thank you so much for participating in Senior Fair 2005 - A Health and Information Fair for Senior Adults. We appreciate you sharing your time and talent with Ardmore Village residents and area seniors.

Just as a puzzle is not complete without all of it's pieces, Ardmore Village is not complete with you.

We look forward to working with you in the future. Thank you again for making Senior Fair 2005 a success!

Sincerely,

Service Coordinator
