A Note from the Director

In 2007 we have adopted a new slogan:

NO MORE
NO MENTAL NO VERBAL
NO PHYSICAL
NO MORE DOMESTIC VIOLENCE!

Cell Phones For Life, Inc is asking you to be an active participant in helping to stop the violence of abuse.

We have been donating free emergency use cell phones to the battered women and the family shelters throughout the U.S. for the past 5 years. But this past year has brought the abuse to a personal level. Mindy Devon Frantz Cross was brutally murdered because of domestic violence in our hometown of Ardmore, OK. She was a personal friend of two of our Board Members; Kelli Grimes, Vice President and Julia Custard, our Secretary. Mindy was only 27 years old. She had been mentally and verbally abused for two years. Then physically abused and finally he killed her. Her abusive husband is now in prison for life where he can no longer harm any other woman.

On October 27, 2007, Kelli and Julia participated in the Domestic Violence Expo in Sulphur, OK which was dedicated to Mindy's memory. We attend as many expos as we can to help spread the word about our foundation and for public awareness of domestic violence.

People ask me all the time ***"Why do they need these free emergency use cell phones? Everyone has a cell now."*** Yes, everyone does have a cell phone but the abuser will break or disconnect that cell phone first thing. Our phones are to be hidden from the abuser. Hide it under the mattress, in the couch somewhere, in your car, anywhere.. But it is not to be seen by the abuser. That way, 911 will always be available. This is what our program is all about.

Cell Phones For Life is asking you to be an active member in helping to stop domestic violence. Donate you used cell phones. ***ONE PHONE CAN HELP SAVE ONE LIFE. A SIMPLE ACT ON YOUR PART THAT COULD LAST A LIFETIME FOR ANOTHER.***

NO MORE.....

TOGETHER WE CAN MAKE A DIFFERENCE
